Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Janie Love

How You Approach Relationships

This information can be very useful because sometimes we do not see for ourselves how we approach relationships. This can help with spell work especially because it helps to form ideas of how you want the spells to work for you, being honest about your needs and desires, and to help you relate to yourself as well as to another person.

A visionary, no doubt, and determined to put all your dreams to work and make them real. You are always looking at the big picture. Others tend to feel you have an almost stark vision of reality and a sense of the future -- of how it will someday be. You play no favorites and are committed. You wonder whether your deep commitment to humanitarian goals may preclude something so personal as a relationship, real love. Yet you need the bond of love and family, and are drawn to warm, effusive, and even vain types -- those with a real sense of themselves, gregarious and playful. A penchant for the artistic and self-absorbed. You love to bring them out and educate them to the demands of the real world.

Leo on 7th Cusp

You like someone you can feel pride in, who is very self- expressive and has a commanding presence. You tend toward warm and outgoing types, and there is always a sense of the healthy and good about any of your partners. Kind of a storybook hero.

Sun Ruler of 7th

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

Mars in 7th House

You will find yourself involved in unusual relationships, or your partner will be unusual. Relationships will be a continual source of inspiration and freedom. They will always be taking unexpected twists and turns. The partners you choose tend to be unique and very independent or self-absorbed. Inventors, technicians, and computer-related persons may figure in your social life either as partners or friends.

Uranus in 7th House

You depend on your relationships to learn about yourself. You tend to be intense and confrontive, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

Pluto in 7th House

Strengths in your relationships

Very much as above, understanding your strengths in relationships is key to successful spell work and successful relationships.

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Sextile Jupiter (orb: 01 36')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 02 04')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 02 42')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Sextile Mars (orb: 03 23')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Trine Saturn (orb: 07 36')

Challenges in your relationships

Very often understanding our challenges in relationships is the key we need the most to be successful in a relationship. Being honest with ourselves about our challenges starts the road to successful partnerships of all kinds!

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 02 04')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 04 09')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Opposition Mercury (orb: 04 18')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 05 56')

Your Relationship with Johnny Man

In this part of the compatibility report the relationship concepts shown can be both what is and what can be. This can be very useful in knowing how and for what to petition. These concepts can be both goals and present truths. For instance, if you see something here that is not happening in the relationship but you want it to be, then you can formulate a petition around that. Keep in mind that astrology is not an exact science, but more a tool to be added to your knowledge base about your relationship with someone.

You knew from the moment you met him that here was a person who couldn't help but be supportive to you. He approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because he is so indiscriminating, the temptation is to add him to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

His Moon in Your First House

Johnny may have appeared first as a teacher, guide, or instructor. In particular, he represents someone who shares your thoughts on religion, philosophy, and other matters of the spirit. Late night talks extending into the wee hours are likely. These long talks could end in long walks or trips together. You really would enjoy traveling together. Here is someone who appeals to your deeper, more reflective side. This relationship has an honest, direct feel to it.

His Sun in Your Ninth House

Here is someone you could talk to all night. Discussions almost always transcend the mundane and get right into the reality of things. You may not have thought you liked this kind of metaphysical conversation before meeting Johnny. There is an almost religious quality to them. You may tend to look to him as some kind of authority or guide in matters of the spirit. These tend to be memorable conversations.

His Mercury in Your Ninth House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Johnny's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus in Your Twelfth House

He tends to be gung-ho when it comes to community affairs and group projects, a real driving wheel. He loves to bring friends together and get everyone motivated. He manages to get you involved in all kinds of group-related affairs that you might not otherwise try. He may sometimes drive everyone a little mad with his ambition and idealism. He has the best intentions in the world.

His Mars in Your Eleventh House

He tends to lead you away from the bright lights, and shows you the value of home, family, and security. Johnny does not force this upon you. Through him you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. He is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

His Jupiter in Your Fourth House

A more serious relationship than others. There could be almost a parental tone, for he can't help but function as an authority figure of one sort or another. You may feel that he is a party pooper, tends to stifle how you come across, and puts restrictions on you. There is sure to be a strong effect when the two of you get together. At the very least, he will serve to temper and shape your approach to life. A good tie if you need discipline.

His Saturn in Your First House

You may have met in an unusual, unexpected way. There is always this sense that he may vanish as quickly as he appeared. You never are quite sure what he is about to do next. There is a strong possibility that Johnny was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. He is good at sharing new ways to approach people and relationships.

His Uranus in Your Seventh House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

Johnny's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.

Challenges in your relationship with Johnny Man

Again, both strengths and challenges are there to work with and work on! Use this information to see what areas you are both strong and challenged in.

The two of you may tend to get very emotional, and you could clash over many issues. He may feel that he doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into his needs and demands.

Your Mars Square His Sun (orb: 00 18')

You may feel that his attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering his neat little universe from time to time. You feel repressed by him.

Your Mars Opposition His Saturn (orb: 00 29')

Johnny refuses, or is often unable, to get your meaning. He may feel that your own feelings are lacking as a motivating force in your life. This can lead to harsh exchanges and hot tempers.

Your Mars Square His Mercury (orb: 01 40')

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what he is saying. He may not be able to understand how you feel, and resents your attitude.

Your Moon Opposition His Mercury (orb: 04 16')

You may find him somewhat repressive of your feelings. He manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of him, and this could lead to a real standoff.

Your Moon Square His Saturn (orb: 05 27')

You may not feel very supportive of Johnny, and he may not be able to depend on you as much as he would like. He seems to go against your feelings more than a little, and this could lead to many a confrontation.

Your Moon Opposition His Sun (orb: 06 13')

How You Approach Relationships

This part of the report deals with the other person – it is written so that you are reading it as if you were them – this is meant to give you insight into how they may be feeling, thinking, approaching, etc. This can be very useful in deciding how to approach your petitioning for spell work and what you might need to work on.

You are so dependable, deliberate, and down-to-earth. You wouldn't think of living without plenty of security and your share of material success. Who could guess that you would be so daring when it comes to relationships? That you could reach out for, and get, what others don't dare dream of having. You like partners who are ever so intense, commanding, and very secretive. Their love of secrecy, power plays, and intrigue keeps you always fascinated and involved. How could such a relationship endure? But the funny thing is that they do.

Scorpio on 7th Cusp

You like partners who are intense, passionate, and confrontal. You depend on your relationships to keep you honest and down-to-earth. Your friends may find that your lovers tend to put you through a lot of changes. There is no such thing for you as a casual or trivial affair. You like it hot, revealing, and sexy.

This includes business partners as well as lovers. You take marriage, partnerships, and all relationships very seriously.

Everything seems to move through you once you get around other people. You have real communication skills that make you a perfect interface for others -- the negotiator. You value intelligence and articulation, especially in a partner. You are never happier than when you find yourself in meaningful conversation, surrounded by sparkling wit, clever thoughts, and all that is mercurial. You may come to know writers, reporters, announcers, and investigators.

Strengths in your relationships

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Trine Sun (orb: 01 01')

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

Sun Conjunction Mercury (orb: 01 58')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Trine Mercury (orb: 02 59')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Trine Pluto (orb: 03 21')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 04 23')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Challenges in your relationships

Here we have the opportunity to see what challenges the person you are working on with spell work has. This could potentially be the one of the most useful things of the whole report – once you know how a person is challenged in relationships you can go about helping improve those challenges and/or be a much more understanding person with them. You can avoid the pitfalls of which other people are totally unaware! Remember, this part of the report deals with how the other person is challenged in relationships! This can be relationship gold!

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 00 47')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Square Saturn (orb: 01 11')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 02 23')

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Square Pluto (orb: 06 46')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Your Relationship with Janie Love

How your partner or potential partner views you! Remember, they may not be showing this right now, but these are things that are useful for you to know. Somewhere inside of them, they see this in you.

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

Her Moon in Your First House

Meeting Janie has got to be good for you, at least for your health and personal habits. She is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. She is really able to get you to work on taking care of these kinds of details. And she cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways she is your own conscience come alive. Working hand and hand with her should take a great burden off your mind.

Her Sun in Your Sixth House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Janie almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

Her Mercury in Your Seventh House

She appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. She values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

Her Venus in Your Sixth House

Janie is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with her. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

Her Mars in Your Fifth House

Conversations with Janie are more than just stimulating. You find them instructive, producing solutions to questions that you may have wondered about for years. She seems to have a knack for guiding you in just the right direction. You admire her mind and good

judgment. She may encourage you to speak, write, and in some way communicate to a fuller extent.

Her Jupiter in Your Third House

Whatever this relationship may or may not be, it probably is not a social triumph. Janie may tend to be a damper when it comes to group or community get-togethers. Your friends may not like her, or she may be critical of the goals of a particular group. Any groups she might approve of would have very strict morals and ethics. She may simply not like to get together in groups.

Her Saturn in Your Eleventh House

She has unusual ways of showing affection and a different sense of self-expression. When you are with her you find yourself willing to try things, feel out all the new possibilities and this includes love making. You just never can be sure what to expect when it comes to Janie, and she never ceases to surprise you.

Her Uranus in Your Fifth House

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. Janie tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and she may not be the first one to suggest it. She may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

Her Neptune in Your Sixth House

This is a very volatile and passionate combination. You find that Janie challenges the way you express and feel about yourself. The two of you may get locked in a power struggle for control. Things are seldom dull. With her help, you may go through a transformation that leaves you feeling ever so much more creative and confident. You could be able to shed a lot of uptightness and repressed habits.

Your Venus Sextile Her Mercury (orb: 03 43')

This could be a very physically satisfying relationship, one with lots of action and good emotional exchange. Work hard; play hard. You may have a healthy sense of competition, since you both tend to urge the other to greater heights. Sports or exercise could be important.
